ACME TECH & LYFNGO ENTERPRISE
EMPLOYEE HANDBOOK & POLICIES (2025-2026)

Section 1: Company Purpose and Core Values

Welcome to Acme Tech / Lyfngo! We are dedicated to pioneering intelligent software solutions.
Our core pillars:

1. Customer Trust & Security: Safeguarding customer data is our supreme commitment.
2. Innovation & Speed: We iterate quickly, learn responsibly, and leverage cutting-edge AI.
3. Radical Transparency: Constructive candor and open collaboration across teams.
4. Work-Life Integration: Encouraging balance, mental wellness, and sustainable productivity.

Employment at Acme Tech is at-will. This handbook outlines operational standards, compensation, benefits, and code of conduct for all full-time and contractual employees.

Section 2: Work Arrangements & Remote Work Policy

2.1 Working Hours and Core Collaboration Window

Standard business hours are Monday through Friday, 9:00 AM to 6:00 PM local time.
All team members are expected to be available for meetings and cross-team communication during the Core Collaboration Window between 10:00 AM and 4:00 PM EST.

2.2 Flexible & Remote Work Guidelines

- Acme Tech operates a flexible hybrid work model.
- Employees residing within 30 miles of a regional office must work on-site at least two (2) days per week.
- Fully remote employees must maintain a dedicated, secure home workspace.
- Home Office Setup Stipend: A one-time tax-free equipment allowance of ,000 USD is provided upon joining for desk, ergonomic chair, or display hardware.
- Monthly Internet & Utility Subsidy: Eligible remote employees receive a monthly reimbursement of USD.

Section 3: Leave Policies and Time Off

3.1 Paid Annual Leave (PTO)

Full-time employees receive 18 days of paid vacation per calendar year, accrued monthly. A maximum of 5 unused leave days may be carried over into the subsequent calendar year.

3.2 Sick and Medical Leave

Employees receive 10 days of paid sick leave per year. Medical certificates are required for absences exceeding three (3) consecutive days.

3.3 Parental Leave

- Maternity Leave: 16 weeks of 100% fully paid leave for birth mothers.
- Paternity / Partner Leave: 6 weeks of 100% fully paid leave for non-birthing parents.
- Parental leave must be taken within 12 months of the child's birth or adoption.

3.4 Bereavement and Special Leave

- Up to 5 consecutive paid days off for the loss of an immediate family member.
- 2 days paid volunteer time off annually to contribute to approved non-profit initiatives.

Section 4: Compensation, 401(k) Match & Healthcare Benefits

4.1 Payroll and Performance Reviews

Salaries are disbursed bi-weekly on alternating Fridays. Performance appraisals and merit increases take place annually during Q4.

4.2 Retirement Savings Plan (401k)

- Acme Tech sponsors a 401(k) retirement plan through Fidelity.
- The company provides a dollar-for-dollar matching contribution of up to 5% of the employee's eligible base salary. Company match vests immediately (100% day-one vesting).

4.3 Healthcare, Dental & Vision Coverage

- Comprehensive medical, dental, and vision insurance begins on the first day of the month following hire.
- Acme Tech subsidizes 90% of the employee premium and 75% of dependent premiums.
- Annual Wellness Reimbursement: Up to per year for gym memberships, fitness trackers, or mental health apps

Section 5: Intellectual Property & Generative AI Policy

5.1 Intellectual Property & Confidentiality

All inventions, source code, documentation, models, and proprietary materials created during employment belong solely and exclusively to Acme Tech / Lyfngo.

5.2 Responsible Generative AI Usage

- Employees may use sanctioned enterprise AI tools (e.g. approved IDE assistants and corporate LLM accounts)
- STRICT PROHIBITION: Under no circumstances may proprietary source code, customer identifiable data (PII), financial records, or confidential client documents be uploaded to unsanctioned public AI services.
- Code generated by AI tools must undergo mandatory peer review, automated testing, and security scanning before merging to production branches.
